

MATH LAB

You are here because:

- You want to improve your math skills.
- You need help with your math classes (first priority).
- You would like help with SAT/ACT math (second priority).
- You WANT to be.

Expectations:

- Keep your phone put away.
- Once you leave, you may not re-enter!
- If you are not going to a practice or club, stay put and work silently on other academic work if you finish your math.

This is a safe place for you to ask math questions and work with others to improve your mathematical understanding.

Take advantage!
